Event Profile

Held in Leipzig since 1991, GÄSTE is THE meeting place for the sector in the east of Germany. Every two years, it offers trade visitors from the foodservice, hotel and community-catering segments an overview of innovative products, technologies and services for the sector.

The GÄSTE fringe programme provides solid information and training, as well as entertainment. Particularly important is the 'International Leipzig Chefs' Prize', which will be held for the 11th time in 2013, concurrently with the first 'Leipzig Exclusive Innovation Award'. Another highlight is the 'care' catering conference, which makes its debut in Leipzig in 2013 and will focus on catering for retirement, care and disabled homes.

Concurrently with GÄSTE, the LE GOURMET market-place for culinary delights offers a multifarious programme revolving around the subject of wining and dining. Two other concurrent trade fairs extend the range in the direction of tableware, as well as gourmet, interior and contract furnishing and decorations and gifts.
