Event Profile

The OTWorld trade show is the world's leading event in this industry. The event is held every two years and combines the presentation of innovations and new products at the trade show

with advanced training sessions led by international experts. This world congress and leading worldwide trade show present a unique spectrum of products and services for prothesists and orthosists, orthopaedic footwear technicians, rehabilitation technicians, therapists, doctors, engineers, the medical retail sector and employees of the sponsors. Topics range from orthotics and prosthetics, orthopaedic footwear technology, rehabilitation and rehab. technology, biomechanics and care of children to physiotherapy, sports medicine, neuro-orthopaedics, age-adapted assistance systems and robotics. No other event of its kind offers comparable numbers of international exhibitors and visitors. Numerous international visitor groups and specialist delegations, an extraordinarily high number of decision-makers and excellent evaluations from exhibitors and visitors alike all go to prove the unique importance of this event.
