Event Profile

HOME-GARDEN-LEISURE has been in existence since 1991 and is one of Germany's best-attended consumer and experience shows for all the family. Because the mitteldeutsche handwerksmesse craft fair is staged at the same time, useful synergies are generated for visitors. The around 870 exhibitors at HOME-GARDEN-LEISURE present their products, innovations and services for home, garden and furnishings in a space of 53,800 m².

The key elements of the show are advice, demonstration and sales.

The segments represented include gardening supplies, living, furnishing, modernisation, refurbishment, construction, pet supplies, textiles, fashion, jewellery, cosmetics, arts & crafts, health, fitness, wellness, leisure and culinary specialities from all over the world. The special annual show in the Glashalle which changes every year ("Bella Italia" in 2017), the lavish landscaped grounds and the "temporary Farm" make HOME-GARDEN-LEISURE a truly great experience.
