Event Profile

With its very special mix of sport, exhibition and show, PARTNER PFERD is one of the world's biggest indoor events for equestrian sport. Numerous visitors gather in Leipzig every year to enjoy the compelling spectacle of the world's greatest equestrian athletes in action. But it isn't only the

top sportspeople who are on the programme of this annual event. The activity manege is one of the main attractions for visitors. The focus here is on the diversity of the equine world; various races of horse are presented, as are issues such as the training and health of horse and rider, along with a wide range of activities by and for children. In addition, visitors will find the entire product palette for horse and rider at the wide-ranging exhibition. Two entertaining evening shows on the Friday and Saturday of the show round off the event. PARTNER PFERD already took place for the 20th time in 2017.
